## Dear Friends and Fraternity,

On behalf of Vignesh Nursing College it is our pleasure to invite you to attend the workshop on OSCE and skill training in Obstetrics to be held in our college auditorium on 17.07.2014.

OSCE method of evaluation which helps the evaluator to make an effective assessment of the practical skills of the UG / PG students and also make students to excel in clinical skill with well defined modules. Skill Training Programmes enriches the hands on practice for the Nursing Graduates. The updation of newer concept in obstetrics as per Government of India Initiative is well taken care in this workshop.

We look forward to welcome you to the Vignesh Nursing College to share the most recent advancement skills in obstetrics.

### Objectives of the conferences:

It intends to

1. Enrich the knowledge and practical application of implementing OSCE method of evaluation
2. Update and Fortify the skills in active management of Third stage of labour, Partograph, Essential Newborn care and Newborn resuscitation.
